

UMPIRE ASSESSOR COURSE INFORMATION

What is Umpire Assessor Training?

Umpire Assessor Training is an interactive course which develops the assessment skills to ensure the learner has a positive experience.

Who should attend?

Umpire Assessor Training is aimed at those umpires with a minimum of a Grade 1 Umpire qualification and who have a passion for helping and developing other umpires.

What is covered on an Umpire Assessor Course?

The workshop builds on a good umpiring knowledge and focuses on practical ideas for gathering and analysing evidence to benefit the learner. Subjects covered during the course include:

- Creating a positive assessment experience
- Skills, knowledge and attributes of an assessor
- Characteristics to look for in an umpire
- Coaching and use of questions to support evidence
- New assessment and marking guidelines, and giving feedback
- Performance Report Form and action planning
